FRISCO SCANDAL TO BE PROBED

Hints of Willful Mis-state ments of Road's Finances Heard in Wall Street.

BANKERS TAKE ACTION

Speyer & Co., Who Sold Bonds is Paris, May Call is Department of Justice.

of the financial status of the t. Louis and San Francisco Railroad, of which Senjamin F. Yoakum is chair-

New Tork, May II.—Hints of wilful misstatements of the financial status of the St. Louis and San Francisco Railroad, of which Senjamin F. Yoskum is chairman of the board of directors and i. W. Winchell president, have been thrown out in Wall Street since the crists in the appointment last Tuesday of receivers at St. Louis.

The bushing firm of James S. Speyer & Co., which handled \$4,000.00 of the Prisco road's benda, selling them all over the world, claims to have been imposed upon. The bankers were led to believe from the road's efficial statement its financial stability, lesued on April 1, just before blocks of its bonds were do to believe from the road's efficial statement of its financial stability, lesued on April 1, just before blocks of its bonds were dol to Paris, that the road has a surplus of approximately \$1.00,000.

It was upon the authority of Speyer & Co. that the Frisco bonds were gill taged that the Paris Bourse took them up. \$13.000,000 of the bonds being sold there. This was six weeks ago.

Try to Block Move.

The first intimation that the Frisco road was its difficulties came when Mr. Yoskum, hurrying to St. Louis one week ago, sought to borrow \$2,500,000 of the bonds being sold there. This was six weeks ago.

Try to Block Move.

The first intimation that the Frisco bonds. When Mr. Yoskum failed to put through the loan, he had his aircorneys rays into court with the application for receivers. When Mr. Yoskum failed to put through the loan, he had his aircorneys rays into court with the application for receivers. Co. would convert with the application for receivers. Co. hastructed their St. Louis overspondents. Lehman and Charles November 1 to the force of the move unreplated action. New Wall Street is watching for starting developments. Speyer & Co. will confer here past Tuesday with their storyers on to take up a move for a third receiver, one of neutral tendency, not attributed with the Frisco road. If the receiver, one of neutral tendency, not attribute to objection, the court appointed a

FRENCH BOURSE MAY BAR ALL AMERICAN STOCKS

London, May 31.—The report which reached here from Paris today that all American stocks may be barred from the Paris Bourse, owing to the Frisco Rati-cual trouble, caused a sensation in busi-

scircles.

The action of the Bourse will depend on the report of the committee ich will be sent to the United States investigate the operations of the term which resulted in the appointment rescently of receivers for the St. ule and San Francisco Ballroad.

BETTING AT BELMONT PARK.

uts Quote Odds and Handle Mone but Keep No Record.

hwit Keep No Record.

Balmont Park, May IL.—To place a bet today was an easy matter. All one had to de was to find a tout, who would got to the his principal. No record of the bets was made, and the settlements wers made through the touts who arranged the bets. Unless you were known you got no tips as to workouts and trial heafts. The wise ones placed big monsy on the races, but it was the placer was known nothing that warmed the cockies of the hookmaking heart, it was meresty a matter of looking at the programme and making your choice. You had no

THOUSANDS HONOR THE MEMORY OF HEROES OF THE MAINE DISASTER.

This photograph was taken shortly before the unveiling of the Maine monument, erected by public subscription to the memory of those brave officers and sailors who lost their lives in the blowing up of the battleship Maine in Havana Harbor February 15, 1898. The monument stands in the center of Columbus Circle at the main entrance to Central Park, in New York City. The parade of 10,000 soldiers and sailors is shown swinging down Fifth Avenue, across the circle and into Broadway. The monument was unveiled by Master George Hearst, young son of William Randolph Hearst, who was one of the leading spirits in the collection of the building fund
